

A COMMITMENT TO OUR SISTERS.

- “Sexual assault happens to Black females at a higher rate than to their white counterparts.”
- “For every African-American woman who risks the shame-pain of reporting her rape, at least 15 African-American women do not report theirs.”
- “Approximately 40% of Black women report coercive sexual contact by age 18.”
- ◇ Who has the responsibility to protect Black women, younger females, and girls from all kinds of sexual misconduct, harassment, and assault?
- ◇ Which Brothers in our own community will take a personal stand to correct the problem of sexually abusing Black females?

Rev. Dr. Walter Arthur McCray
